Any Special Instructions:

### Guide to completing this schedule:

Getting Ready: Please allow approx 45 minutes for bride and the same for the groom getting ready.

Travel: Allow reasonable travel time from location to location.

Finish: Please state the time and location you require your photo/videographer to finish.

Location: Please provide **full street address** including prominent landmark where applicable of each location.

Contact No for the day: This number must be attended to throughout the day and should also be someone that will be in the same car as the bride and groom.
